Our old-world, Neapolitan inspired pizzas are slightly charred on the outside but light and fluffy on the inside. We use only all natural ingredients and are one of the few pizzerias in the U.S. that makes our dough like they do in Naples, Italy, naturally leavened for long periods of time at room temperature. Because our pies are very thin, and baked in under 2 minute, they are more delicate and are best enjoyed sparsely topped while hot out of the oven. Just pick it up and fold the slice in half the long way & enjoy.
